The academic year seems to be flying past quickly. This half term the children have thrown themselves into a range of different learning experiences. Our youngest children have enjoyed learning about castles and have started to write some fantastic pieces using the creative approach in 'Drawing Club'. We have seen some wonderful independent writing from many of our reception children.

Our year 6 children worked fantastically well during their SATs tests. Pupil across the country sat a reading paper, spelling, punctuation and grammar and 3 maths tests. Whatever the outcome, we are exceptionally proud of their hard work and dedication to their learning. A special thanks to Ms Geary and Mrs Collins for the SATs booster sessions they hosted in the mornings leading up to the tests.

Arun and Adur class have completed some great learning on the Romans. They have discovered a range of key facts about the period from gladiators to viaducts. In Science the children have been learning about different rock and soil types as well as their classifications. Ask your child about permeable rocks.

On Tuesday 21st May, 12 children went to Billingshurst swimming pool for a locality swimming gala. 4 children took part in individual races and 8 took part in relays. All of the children swam incredibly well, with some winning their races. As a team, Slinfold came 3rd! What an amazing achievement. Well done Team Slinfold!

On Thursday, Mrs Slipper, organised a cake sale in aid of Christian Aid week. This was a really successful event and lots of money was raised to support Christian Aid.
