On the 8th March 2024 Slinfold school celebrated World Book Day! By doing this we took part in a lot of fun activities including in the morning where children attended a reading Café. Children shared books and refreshments. After break we took part in guessing who the masked readers were and what books they were reading. It was very hard as they changed their appearance and some even modified their voices. After this some children had a scavenger hunt and had to find the book titles that matched the questions. In assembly we got to show off our amazing costumes and received the results of the masked reader. There was also an egg decorating competition!

Children and Arun and Adur had a wonderful trip out to 'The Sculpture Park' near Farnham. Reflection

*There was once a man on a hot sandy shoreline who spent his morning throwing stranded starfish back into the sea. He was approached by a critic who reminded him that there were miles of beach and thousands of starfish ... what possible difference could he make? He simply picked up another starfish, threw it back into the ocean and replied, "it made a difference for that one."
What small difference can you make?*

Southwater Vs Slinfold 6th March 2024

With the 1st half underway Southwater had kicked off and managed to slip past the defenders and beat the keeper with a shot to the left to make it 1 - 0. The stern Slinfold defence held on to the second half weathering shot after shot.

In the second half Slinfold sadly made mistake after mistake resulting in another score for Southwater. Determined, Slinfold fought back making the score 2-1.

Southwater's attack came again from the left winger, the keeper managed to the initial save but the rebound from the post was tapped in making it 3-1. Southwater then went into 6th gear and goal after goal went by. There was not much hope for Slinfold but they went again and managed to score one more before the end. The final score was 7-2.

A huge well done to both teams and especially well done to Slinfold for showing courage and resilience.
