

SLINFOLD CE PRIMARY SCHOOL
AND PRE-SCHOOL

**Caring for each other, learning from each other,
achieving with each other... guided by God**

Friday 20th October

On Friday 13th October children from Hamble and Medway went on a fantastic trip to the Creative museum in Hove. The children got to see a wide range of beautiful art as well as a lot of historical toys from the past hundred years. Due to the poor weather, the children got to eat their lunch inside the wonderful Victorian building. I know that all the children really enjoyed their trip and we would like to thank all the parents who kindly offered to help support this personal development activity. Our 'Yellow day', for young people's mental health, raised an amazing £61.20. I know the charity really appreciates the kind donations.

A big thank you for all of the art work for the new House point pictures. The winners of the House competition this term are-

- St Andrew - Oliver Broad
- St George - Theo Beaney
- St David - Minnie Wu
- St Patrick - Luna Freise-Greene

Slinfold CE Primary and Pre-school are very lucky to be working with the Mental Health school Support team. They exist to provide support in school's for emotional well-being and mental health. They do this by supporting the staff team to develop a whole school approach, offer evidenced based interventions and provide guidance to liaise with external partners. We will be sending out a survey next half term to identify what issues are most important to the community. Please keep your eyes open for further communication of the support provided by the school and the thought-full team.

Keep up the great work, we are 0.7% off our target!

Year 6 Trip to Newhaven Fort

On Monday we got to go on a school trip to Newhaven fort! We learnt so much about the Second World War and there were loads of fun interactive experiences. We learnt loads of facts, did you know that gas masks had chemicals in them that were harmful to the wearer! This fact was only discovered recently.

We went into an exhibition where we went into a dark room and we experienced what it would have been like during a bombing raid. It was TERRIFYING!

We also went in a room which showed the after effects of a bomb! We also went high up on the ramparts and went deep underground into the tunnels below the fort. It was fun and I am so happy we got to go.

Thanks for taking us.

Jasmine Year 6.

On Monday we went on an exciting school trip to Newhaven fort!

We learnt loads about World War 2 and had so much FUN! We even went on a super cool adventure of what WW2 was like. We found out how tiring it was to keep a baby alive in a giant gas mask, we saw bombs, we even did a practice of what you'd have to do in a WW2 air raid. It was really scary, but I loved it. And we went in loads of rooms that told us lots of fun and unbelievable facts.

We even got to go on the playground which was BRILLIANT!

I loved my trip to Newhaven fort and am very grateful for my incredible day out.
