Friday 6<sup>th</sup> October

It has been great to see all our children taking pride in their presentation, especially in their written work. In maths, children have been looking at Roman numerals and learning formal and informal methods of addition. In science pupils have been experimenting with torches during their light and shadows topic. In year 6, children have been sketching WW2 scenes inspired by Henry Moore.

### Community Matters

Dear Mr. Campbell,  
Please send our sincere thank you to all the staff, children and parents that donated 34.26 kg of food to the Horsham District Foodbank during the Harvest season. Your kind donation will help put food on the table for local households experiencing hardship. We are currently providing between 700-800 individual food parcels per month across the Horsham District, and we expect these numbers to increase as winter approaches. We could not offer the support we do without the generous support from our school community. Attached is a certificate of appreciation. Thank you once again for your support. Many thanks

## Fond Farewell

Everyone at Slinfold CE Primary and Pre-school would like to extend our warmest wishes to Jayne Pollard who will be leaving us at the end of this half-term.

She has been a dedicated, hardworking and great member of the staff team and we are truly sad to see her leave.

I know you will join me in wishing her the very best of luck in her new venture.

## Our Mission Statement

Caring for each other,  
Learning from each other,  
Achieving with each other...  
Guided by God.

Our wish is that when children leave Slinfold School they are first and foremost being caring towards each other and look out for each other; they learn from each other through a wide range of experiences and learn that we are all different and have God given talents; and lastly, they achieve well through collaboration and belief in themselves.
