What a half term we have had! The children have been working exceptionally hard on their presentation and it is really paying off. The children's work across the school is so much neater with some really clear joins. I was blown away by the work produced in Medway! Thank you to everyone who came to the Christingle service. As ever this event is a fantastic start to the festive period. I know the Rev Caroline had a very enjoyable time during this service. As ever, we are coming to the busier time of the year and term. Please keep a close eye out for emails and letters with details on upcoming events and news. Next week sees the children from Rother off to Newhaven fort. A very exciting and worthwhile trip.

Our recent school trip to Cineworld with personal development focus, was a standout experience. Watching *Sonic the Hedgehog* offered students more than just entertainment—its themes of friendship, determination, and resilience provided meaningful talking points that connected directly to our personal development goals.

The visit also gave the children the chance to build social confidence, enjoy a shared experience, and discuss what they learned afterwards in a relaxed, positive setting.

Overall, the trip was a great success: enjoyable, motivating, and packed with valuable lessons that students can carry into their everyday lives.

Keep your eyes out for the house point pot in the reception area.

Christmas card Competition

Last week we had a special visit from Member of Parliament John Milne. At the beginning of October he launched his Christmas Card Competition for children aged 4 to 11 from across the area. One of the runners up was Siena in year 5. She was presented with a certificate and a small prize. Well done Siena and to all those who entered.

Supporting a child with depression or anxiety

This page will help you recognise the signs of anxiety and depression and give advice on how you can best support a child who needs your help.

Sometimes signs of depression and anxiety can appear to look like normal behaviour. Knowing how to talk your child about their mental health is important. Click the tab to find out more information.
