17th April 2026

Welcome back to another exciting term at Slinfold CE Primary School and Pre-school. I hope that you all had a well-deserved break and managed to enjoy some time with your families. To me, it feels as though this academic year has flown by and the children have already achieved so much. In the coming weeks, children in year 6 will be sitting their SATs, we have a range of sports events booked in and plenty of trips planned for the rest of the term. Keep an eye out for further correspondence on upcoming events. It has been wonderful to see the children across the school settle back into the routines of the school day. I'd like to welcome: Mrs Lorenzo, Mrs Varney and Mrs Mayze who have joined our team.

Extension update

The development of the replacement classrooms is accelerating at a rapid pace. The metal frame has been erected and the majority of the concrete boarding has been installed. In the coming weeks, we should see the windows and roofing installed. Once this is completed the external block work will be installed. Exciting times!

St Peter's Church Concert

On Saturday 25th April St Peter's church will be hosting a fundraising concert by Cotillion. The concert will start at 7pm and the band will be playing a range of rock and folk music and promises to be very entertaining. This isn't a ticketed event but donations are warmly welcome. There will be some refreshments on offer. It would be great to see as many of you as possible at this community event!

Keeping your child safe online

As many of you are aware children's lives have started to include online and mobile phone interactions. This has significantly increased over the last 5 years. There are many websites and details about keeping children safe online. The Government have sent out a consultation on further measures to prepare children for the future. They are asking for parents, professionals and children to respond. Hit the link to find out more:
