Since returning from the half term break the children have experienced some wonderful opportunities and have shown some fantastic learning. We have had Paul Ullson (History man) in to support the KS2 children learn about the Mayans. We have also had external moderation of our year 6 writing which has shown encouraging improvements in our writing across the board. Over the last few weeks we have had multiple trips out to the farm, sports weeks, a trip to Ask, STEM day at Christs Hospital, dance workshop, Spanish club worship and plenty of learning inside the classroom. Across the school it is wonderful to see children continue to take pride in the presentation in their work in all subjects. Please do keep an eye out for the letter in regards to the hot weather!

Sports at Slinfold

What a fantastic week of sports we have had. Children across the school have taken part in a wonderful variety of sports. On Monday, children showed off their aim and accuracy with a day of new aged curling. No brooms but still very challenging!

On Tuesday, children got to attend a Gymnastic class at the Pavilions. A huge thank you to Ms Needle for enabling such a wonderful experience for the children. It is evident we have a lot of athletes across the school.

On Wednesday we hosted the ever-wonderful sports day. It was brilliant to see a wide range of the community come to support the activities and races. A huge thank you to: Slinfold Cricket Club for the loan of their facilities and hosting us superbly; Mr Meaney and the students from the Weald who supported and cheered on the pupils; the ever amazing staff team and the wonderful Mrs Collins who helped create another fantastic experience.

Thursday saw the children from across the school take part in Breakdancing! A full week.

Cricket Champions

Our brilliant sports stars attended a local Cricket tournament at the Weald and smashed the competition! It is fantastic to see all our children do so well! We finished first out of the local schools and did so with fantastic team spirit and respect towards the other competitors. Well done everyone for taking part.!

PERSONAL DEVELOPMENT

Why do Personal development (PD) events?

PD activities and events are so important as it helps to empower children and unlock their full potential. These activities foster greater self-awareness, increased resilience, improved relationships and confidence. The staff team work tirelessly to provide such great experiences.

Ask Italian

In order to celebrate the hard work that our year 6 children have been putting in over the last academic year and to celebrate the wonderful progress they have made out team of pupils attended Ask Italia. This was a wonderful opportunity for our pupils to relax and enjoy some time together as they approach the end of their primary education. I have it on good authority from Mr Coupe and Mrs Hammond that the pizzas were delicious!

Fun at the farm

Children in key stage 1 and Pre-school got to experience some wonderful activities at both Mayes park farm and Gofflands farm. The children to part in a range of activities that helped the learn about the living world and their environment. The experiences helped them to develop their vocabulary and give them re-world experience of nature around them.

Added to this, Mrs Gibbs and Mr Burrell took a group of children for a wellness trip in order to be closer to nature and learn outside of the classroom. A big thanks to all the staff who attended and Mrs Cole and Trevor for providing support and transport.
